

SKYVIEW ACADEMY

Annual Report 2018

We are committed to preparing students to be life-long learners and honorable leaders of tomorrow.

The SkyView Foundation (SVF) is the nonprofit entity where SkyView Academy fundraising dollars are deposited and held for use by the school.

The SVF's Strategic Responsibilities include financial oversight, 501c3 compliance and general collaboration and support for all fundraising activities managed by the school. The trustees meet quarterly to fulfill these responsibilities, and receive updates from school administrators on all fundraising activities and special events.

SVF fundraising efforts will focus on the three main areas above for the 2018-2019 school year. Funds raised in the 2017-2018 school year will support the main entrance security enhancement. A new vestibule will be created along with a new office area for the front entrance staff. In the future, we look to build a new playground and provide teachers with new classroom technology. We look to use your dollars to support our school as a whole.
